INSPIRED TO LIVE AGAIN FOUNDATION

Dear Partners, Members and Friends,

We Thank God for you! Lives have been impacted forever. In 2008 your contributions helped *"change"* the lives of 25 young women. Transforming from rags to riches mentally, physically, emotionally and spiritually, they enjoyed a 3 day-2 night stay, breakfast, lunch, snacks, three- self efficacy workshops and a certified healthcare team who administered HIV screenings, education and counseling at a luxurious resort and spa on the out skirts of Chicago Illinois.

Inspired to Live Again Foundation (ITLAF) is a not-for-profit 501(c)(3) public charity foundation whose mission is to Create, Build, Plant, Restore and Cultivate young adult women and men to achieve eminence. Endeavoring to raise the bar, the foundation successfully awarded its First Scholarship to a Chicago student now attending Drury State University where she is "*achieving goals and dreams she never imagined would be possible."* WHAT AN EXCELLENT REPORT!

Now embarking upon its Fourth Annual Summit and Scholarship Award, Taking the Limits off (TTLO), a Program derived from ITLAF whose mission is to evoke participants to aspire to apprehend fulfillment for their lives will be hosting "Crossing Over…a Time of *Change* and *Focus*" on August 7th-9th in Union Pier Michigan.

It is with great passion and desire that we extend an opportunity for you to join in with us as the embodiment of service extending that bridge of hope. After-all, the best investment you can ever make is in the life of another.

Please make all checks payable to the address listed below and visit our website for any additional information. Thank you and have a prosperous year!

Sincerely,
